## AUSSIE GARDEN

**Callistemon Range - Eureka**<sup>®</sup> (tall upright shrub 3m x 2m with red to purple flowers) **Matthew Flinders**<sup>®</sup> (dwarf hybrid 75cm x 50cm with crimson-red flowers) **Rose opal**<sup>®</sup> (shrub 2m x 2m with deep red to rose flowers) are all excellent evergreen Australian natives.

**Grevillea Range - Golden Yul-lo**<sup>®</sup> (medium to tall shrub 3m x 2m with brightly yellow flowers) **Honey Wonder**<sup>®</sup> (medium shrub 2m x 1.5m with honey coloured flowers) **Honey Gem**<sup>®</sup> (medium shrub 3m x 2m with honey gold flowers) **Coastal Impressive**<sup>®</sup> (fast growing medium to tall shrub 4m x 1.5 m with dusty pink flowers) **Coastal Dawn**<sup>®</sup> (fast growing medium shrub 3m x 1.5m with dark pink coloured flowers) **Coastal Sunset**<sup>®</sup> (fast growing medium shrub 3m x 1.5m with bright orange flowers) **Coastal Twilight**<sup>®</sup> (fast growing medium shrub 3m x 1.5m with terracotta flowers) **Coastal Prestige**<sup>®</sup> (fast growing medium to tall shrub 4m x 1.5m with rosy pink flowers). Queensland bred graveleas which bloom for most of the year.

**Hardenbergia Bushy Blue**<sup>®</sup> is an Australian native plant. It has masses of violet pea-shaped flowers in long clusters during late Winter and early Spring.

**Elaeocarpus Prima Donna**<sup>®</sup> is a hardy, tall growing Australian native tree, 6m x 2m. It bears masses of pink ballerina skirt-like flowers late spring/early summer. The dense foliage is an attractive bronze green when young, maturing to a deep green.

**Leptospermum Range - Pacific Beauty**<sup>®</sup> (dwarf shrub 1m x 1m with fine lacy cascading foliage smothered in attractive pink buds with large white flowers) **Little Lemon Scents**<sup>®</sup> (graceful weeping shrub 1m x 1m with snow-white flowers in spring) are ideal specimen shrubs and excellent landscape plants.

**Malaleuca Range - Little Red**<sup>®</sup> (dwarf shrub 1m x 1m with spectacular purple red new growth from April to October) **Revolution Gold**<sup>®</sup> (tall shrub 4m x 2m with gold foliage - fast growing hardy specimen - excellent screening hedge) **Revolution Green**<sup>®</sup> tall shrub 4m x 2m with green foliage - fast growing hardy specimen - excellent screening hedge).

**Allamanda Cherry Ripe**<sup>®</sup> produces striking clusters of dark cherry coloured trumpet flowers from Spring through to Autumn.

**Columnnea Cascading Beauty** is a magnificent hanging plant grown primarily for its striking foliage colour.

**Cordylina Purple Sensation**<sup>®</sup> is a strappy plant which grows to a height of 2m and a width of 1.5m. It has attractive maroon/purple foliage with pinkish-red mid stripes.

**Dianella Golden Streak**<sup>®</sup> is an attractive clumping plant, with a moderate growth rate - to a height and width of approximately 0.6m - 1 metre and 0.6m. It features bright green broad strappy foliage with contrasting yellow stripes, and bears delicate blue flowers in winter/spring.

**Dipladenia Range - My Fair Lady**<sup>®</sup> (white) / **Guinevere**<sup>®</sup> (pink) / **Scarlet Pimpernel**<sup>®</sup> (rich red) / **Wilma's Choice**<sup>®</sup> (dusty pink) / **Red Riding Hood**<sup>®</sup> (red fading to pink) are more compact, have more flowers and flower for longer periods.

**Gardenia True Love**<sup>®</sup> with its large pure white blooms up to 100mm across are borne in profusion at the beginning of Summer.

**Gloxinia Jingles**<sup>®</sup> with its bright orange red to crimson-red bell-shaped flowers can be used as a patio pot, hanging basket or ground cover.

**Ixora Range - Coral Fire**<sup>®</sup> (tangerine) / **Gold Fire** (yellow) / **Pink Malay** (coral pink) / **Sunkist** (scarlet) are hardy and unique Ixoras bearing vibrant coloured flowers in profusion during the warmer months of the year.

**Kalanchoe - Quicksilver** (silver foliage) / **Winter Wonders** (orange/yellow/red) are very showy plants which are ideal for floral bedding display. Kalanchoes are low, compact growers and because of their hardiness, have a multitude of uses around the garden.

**Loropetalum Razzleberry**<sup>®</sup> is a small/medium shrub which bears masses of brilliant dark pink feather-like flowers several times a year. Its striking plum coloured foliage has an arching habit.

**Nandina Gulf Stream**<sup>®</sup> is a hardy, evergreen medium shrub with graceful fernlike foliage. An exceptional plant for landscaping. It will grow in most areas of Australia.

**Pittosporum Cream de Mint**<sup>®</sup> is a shapely compact, tidy shrub with a beautiful round form and attractive variegated foliage.

**Schefflera Madam de Smet**<sup>®</sup> is a small compact shrub growing to an approximate height of 2m and a width of 1m. This attractive specimen plant has distinctive glossy green/gold foliage.

## INTERIOIRSCAPE

**Asplenium Victoria**<sup>®</sup> will grow to a height and width of 1.5m and has all the hardy positive features of the Japanese Bird's nest Fern, *Asplenium antiquum* but has a dramatic eye catching look that is absolutely unique.

**Dieffenbachia Camille/Nellie** are compact and extremely leafy. Attractive cream and green leaves.

**Ficus Range - Bushy King**<sup>® pbr</sup> (grey-green foliage) **Bushy Prince**<sup>®</sup> (glossy green foliage) **Bushy Princess**<sup>®</sup> (grey-green leaves with white margins) are excellent specimens in any container. Excellent plants for interior locations.
